

USED L 410 AIRCRAFT AVAILABLE

AIRCRAFT TECHNICAL SPECIFICATION

YEAR OF PRODUCTION:	2010
MODIFICATION:	L 410 UVP-E20, specification complies with the Brazilian Type Certificate Data Sheet 9401
AIRFRAME:	TSN: 2 003 FH CSN: 2 977 landings
WALTER M 601 E ENGINES (LH+RH)	to be defined
V 510 PROPELLERS (LH+RH)	LH – TBO remaining: approx. 2 000 FH RH – TBO remaining: approx. 2 000 FH
BAGGAGE COMPARTMENT:	front compartment accessible from the outside rear compartment accessible from the inside
PASSENGER COMPARTMENT:	19 passenger seats with headrests, leather seat upholstery, without individual service tables, ultra leather upholstery of the side and roof panels of the passenger cabin
COCKPIT LABELING AND MARKING:	English
EXTERIOR LABELING AND MARKING:	for passenger – English operational data – English
INTERIOR LABELING:	for passenger – English
MAINTENANCE SCHEDULE:	on condition
PAINTING:	client's paint scheme
TOILET:	emergency, located in rear
OTHER EQUIPMENT AND PROVISIONS:	• wing tip tanks; • SCOTT oxygen equipment (2 individual bottles for each pilot, two individual bottles for passenger); • VARTA batteries; • ENVIRO air-condition system installation, • Provisions for installation of the extendable rear internal baggage compartment, without the movable bulkhead (for 17 pax configuration);

THE AIRCRAFT IS SUBJECT TO PRIOR SALE

RADIO-NAVIGATION AND RADIO-COMMUNICATION EQUIPMENT:

Advanced Flight Display	EFI-890R	2 sets
NAV/COM/GPS	GNS 430W	2 sets
MKR	KMR 675	1 set
ADF	KR 87	2 sets
AHRS Attitude Heading System	AHC-1000	2 sets
DME	KDM 706A	2 sets
Interphone and public address system	KMA 24H - 70	2 sets
Transponder	GTX 330	2 sets
Flight data recorder	FA 2300	1 set
Emergency location transmitter	ELT C-406	1 set
Cockpit voice recorder	FA 2100	1 set
Weather radar	RDR 2000	1 set
Radar Altimeter	KRA 405 B	1 set
EGPWS	MARK VI	1 set
Autopilot	KFC 325	1 set
HF radio	provisions for installation only	1 set

INSTRUMENT EQUIPMENT:

Airspeed indicator	LUN 1113.13-8	1 set
Barometric altimeter	Aerosonic 101735-11726	1 set
Encoding altimeter – Air Data Computer	AC32	2 set
Artificial horizon Standby	MCI 4300	1 set
Magnetic compass	LUN 1221.1-8	1 set
Torque indicator	LUN 1539.02-8	2 sets
Gas generator RPM indicator	LUN 1347.83-8	2 sets
Propeller RPM indicator	LUN 1348.03-8	2 sets
ITT indicator	LUN 1370.08-8	2 sets
Tree-pointer indicator	LUN 1538.01-8	2 sets
Fuel quantity indicator (main)	LUN 1634.01-8	2 sets
Fuel quantity indicator (wing tip)	LUN 1674-8	2 sets
Flow meter indicator	PC 900-1	2 sets
Outside air thermometer	Scott Model 2716	1 set
Double pointer air thermometer	LUN 5610.01-8	1 set
Clock – GROB Benz Micro Swiss	115EG – 7780	2 sets

ACCOMPANYING DOCUMENTATION

1. Technical documentation

1. Aeroplane Log Book	1 book
2. Engine Log Book	2 books
3. Propeller Log Book	2 books
4. Levelling and rigging record	1 set
5. Weight and balance record	1 set
6. FDR calibration protocols	1 set
7. Avionic's ground test record	1 set
8. Flight Test Protocol	1 set
9. Certificates of interior materials	1 set
10. Ground test record of Enviro air condition system	1 pc
11. Compensation report	1 pc
12. Book of the hoses	1 book
13. Information bulletins, mandatory bulletins	2 sets
14. Safety instructions	1 set

2. Operational documentation

1. Airplane Flight Manual for L 410 UVP-E20	1 book
2. Master Minimum Equipment List L 410 UVP- E, E9, E20	1 book
3. Maintenance Manual for the L 410 UVP- E, E9, E20 Aeroplane	13 books
4. Maintenance Schedule for the L 410 UVP-E20 Aeroplane without overhaul	1 book
5. Check list for Emergency, Abnormal and Normal procedures for L 410 UVP-E20	1 book
6. Wiring Manual for the L 410 UVP-E20 Aeroplane	1 book
7. V 510 Propeller Operator's, Installation and Maintenance Manual	
Illustrated Spare Parts Catalogue for V 510 propeller	1 CD
8. Maintenance Manual for the M 601-E Engine	1 CD
9. Illustrated Parts Catalogue for L 410 UVP-E, E9, E20 Aeroplane	5 books
10. Illustrated Spare Parts Catalogue for WALTER M 601 E Engine	1 book
11. Check Flight Methodic	1 book
